Copy Orders of the Professional Traders!

MetaQuotes Software Corp., MIG Bank, GO Markets, Vantage FX and Forex-TSD.com hold the fifth annual Automated Trading Championship 2011. The championship will begin on October 3rd and will end on December 23rd 2011. All expert advisors will be under MetaTrader 5 control. It is an opportunity not only to participate, but for copying orders of the professional traders. For this purpose, you can use our Metatrader 5 – Metatrader 4 Account Copier.

Rules of Automated Trading Championship 2011(Extracts)

Publishing the Results

During the Championship, the following materials are automatically published in real-time mode: Web statements of participants All journals (terminal logs and expert logs) from the clients' terminals Rating and comparative tables are updates once every 5 minutes.

Logins and passwords of the participants will be open to the public With Login and Investors Password, using our MT5 – MT4 Copier, you will be able to copy trades from several MT5 accounts to your account or several accounts

MT5 – MT4 Account Copier – Explanation

MetaTrader Account Copier “MT5 → MT4” is MetaTrader oriented Forex software that makes it possible to copy trade operations from MetaTrader5 Terminal to MetaTrader 4 Terminals synchronous. This forex software is developed for simultaneous management of multiple accounts, for which is mostly helpful for those whom manage investors' accounts and for traders working with many accounts simultaneously.

MT5 – MT4 Account Copier – Innovations

MetaTrader5 combines all open orders into united position. MetaTrader4 cannot repeat the same. We implemented the following behavior in CopyTool MT5 to MT4. Summary open lot of all trades on MT4 should be the same as the lot of open position of MT5.
